#### **Confined Space Safety Reminders:**

- All confined spaces are labeled.
- Never enter a confined space without training, permit and proper authorization.
- Review all safety procedures before entering a confined space.
- Identify hazards within the space prior to entry.
- Before entry and while working in the space, monitor for all possible hazards.
- Utilize proper equipment and/or protective wear for the confined space.
- Maintain contact with a trained attendant as directed in safety procedures.
- If directed to evacuate a confined space, do so IMMEDIATELY.
- Follow written rescue plans when necessary.
